On this tour, you will walk to three distinctive wineries, for a wine tasting and food pairing at each. Next to Barili Cellars, producing just 350+ cases in 2010, they completely sold out and plan 500 cases for 2011. Taste why their wines sell out so quickly and savor hors d'oeuvres from the bistro next door. Continuing on, our last stop is Grand Ronde Cellars. Located in another historic brick building, they source their grapes from two prestigious Washington vineyards and also represent two other wineries. Here you'll indulge in the foods from the award winning restaurant, Wild Sage. End the tour either back at the DoubleTree City Center or stay at Zolo's, a hip place with great food, a full bar and live music, to end your night!
