

2025 International Cryogenic Materials Conference Board of Directors

CONFERENCE AND PROGRAM

Michael Sumption, *President* – The Ohio State University
Sonja Schlachter, *Conference Chair* – Karlsruhe Institute of Technology, Germany
Shreyas Balachandran, *Program Co-Chair* – College of Engineering, FAMU-FSU
Ignacio Aviles Santillana, *Program Co-Chair* – CERN, Switzerland

BOARD OF DIRECTORS

Ignacio Aviles Santillana – CERN, Switzerland
Shreyas Balachandran – College of Engineering, FAMU-FSU
U. (Balu) Balachandran, *Chief Technical Editor* – University of Colorado-Boulder
Peter Bradley – National Institute of Standards and Technology
K. Theodore Hartwig, Jr. – Texas A&M University
Timothy J. Haugan – U.S. Air Force Research Laboratory
Eric E. Hellstrom – ASC / NHMFL, Florida State University
Takanobu Kiss – Kyushu University, Japan
Yanwei Ma – Institute of Electrical Engineering, Chinese Academy of Science, China
Richard P. Reed – Cryogenic Materials, Inc.
Sonja Schlachter – Karlsruhe Institute of Technology
Jun-ichi Shimoyama – Aoyama Gakuin University, Japan
Hyung-Seop Shin – Andong National University, South Korea
Michael D. Sumption – The Ohio State University
Herman H. J. ten Kate – University of Twente, Netherlands
Robert P. Walsh – Materials Reliability, Inc.
John Weisend II – European Spallation Source, Sweden
Klaus-Peter Weiss – Karlsruhe Institute of Technology, Germany
Judy Wu – University of Kansas

AWARDS COMMITTEE

K. Theodore Hartwig, Jr. – Texas A&M University
Eric E. Hellstrom, *Chair* – ASC / NHMFL, Florida State University
Sonja Schlachter – Karlsruhe Institute of Technology, Germany
Jun-ichi Shimoyama – Aoyama Gakuin University, Japan
Hyung-Seop Shin – Andong National University, South Korea
Herman H. J. ten Kate – University of Twente, Netherlands
