

Ravi Bains

Ravi Bains is President and CEO of Advanced Research Systems, Inc. Ravi started ARS in 1986 as a supplier of laboratory cryogenic systems for materials research. The company develops and manufactures cryocoolers and markets them to over 50 countries. ARS customers typically include National Laboratories and University Research Centers doing research at cryogenic temperature.

Ravi has a Masters in Mechanical Engineering from Rutgers University and an MBA from Lehigh University. Prior to starting ARS he was employed by Air Products Inc. where he held positions in Engineering, Manufacturing and International Sales.
